

ENRICHMENT NEWS

Dear Enrichment Families,

This week in Enrichment we celebrated Dr. Seuss' birthday! On Monday we read *The Cat in the Hat*. The children loved sharing what they would do if the cat visited their home. Afterwards, we had lots of fun painting with balloons.

We had a wacky day in Enrichment on Wednesday as we read Dr. Seuss' book *Wacky Wednesday*. The children had fun spotting the wacky things that happen in the book. Soon, they began to notice that there were wacky things in the Enrichment Area as well! Ask your children what wacky things they spotted. To celebrate "wacky" Wednesday, we created art projects while upside down. The children were so excited to lay under the tables and draw pictures on paper taped under the tables.

On Friday we read *There's a Wocket in my Pocket*. The children enjoyed the rhyming in the text as well as the silly imaginary creatures. Afterwards, they had fun discovering several imaginary creatures in our classroom. They used their rhyming skills to help find the creatures. They found a Zink in our sink, a Nook by our books, Yars in the cars, Zed in the bed, and many more. We created our own Wocket in our pocket using construction paper, pipe cleaners, pom pom balls, sequins, googly eyes, and more.

In addition to our art projects, we had fun building with red and white plates and cups as we tried to balance them just like *Cat in the Hat*. We used blocks and other manipulatives as well. We played a *Cat in the Hat* matching game by pairing up hats with matched designs. We also made a birthday cake in the kitchen area to celebrate Dr. Seuss' birthday and had fun playing with all of the toys in the Enrichment area and Big Room.

Have a great weekend! If you were able to make it to Trivia Night, we hope you enjoyed it as much as we did! Thanks for your support!

Susan and Caroline
